

NorCal AMCs Monthly Meeting

Date: 06.21.18

Round Table Pizza Parlor

Attendance: Ross Guistino, Mark & Ruth Ehinger, Dave Pekonen, Connor Stumbaugh, Doyle Lockabey, Charlie Zanella, Richard DeCroff, John Andrews, Jim Faulknor, Tyson Barbera

Treasurer's Report: The May balance was \$737.79, we added \$20 from dues and a \$33 raffle for a final total of \$790.79.

Club Cars Driven Raffle: Jim Faulknor's AMX was the only AMC in the lot tonight so the gift card goes to him.

OLD BIZ: - Asif, Connor and Doyle got a 360 out of the Pic-N-Pull

- Galvin AND Doyle are moving to Klamath Falls, Oregon
- Richard's swap meet in Petaluma went great—and the pies were delish
- This year's ECA Father's Day car show at Julliard Park was a rousing success. Unlike last year's eyelid-sweating excessive heat, this year the weather was perfect, with many new cars that we haven't seen before and an excellent crowd. We had a good amount of folks stop by to marvel at our AMCs...it was a good day.
- Jim and Mike did a rally in the AMX
- Power-up in Penngrove occurs the second Saturday in July
- **The annual NorCal AMC Auto Group picnic is scheduled for August 19th at Tyson's place.**

NEW BIZ: - Jim and Son entered the 600-mile Motherload 400 in their AMX, but unfortunately, they broke down and didn't complete the rally. A fuse blew on the fuel injection and after hours of trying to figure it out on the side of the road, they threw in the towel. On top of that, the clutch was beginning to give out.

- John Andrews needs a door for his '60 Rambler. It was suggested he contact Galvin.
- The Faulknors will be entering another rally in central CA called the Faultline 500
- At Sunday's car show we all got a chance to see the excellent brake line work that Connor did on his Hornet.
- Ross has a lead on a winery that we possibly could use as a backdrop for taking pictures of our cars
- John's T-bird A/C is fixed
- Jim's AMX doesn't have A/C—he has spray bottles instead
- Tyson informed us that the photographer, Craig Owens, took pictures at the Father's Day show including this one of Nolan's Pacer and my Gremlin:

- And speaking of the car show, Mark was second in line. What does one have to do to be first in line to enter the park when it opens at 7am? You have to get there at 3 am. The owner of a '55 Chevy did just that. He arrived at the entrance at 3am and promptly set up his lawn chair and carafe of coffee. Mark got there at 4:30, and Tyson

and I were about 9th and 10th in line, arriving around 5:15-5:30am. There were some great cars there, and some of the standouts included not one but two VW Things, and an incredible yellow Yenko Vega wagon. Included among the spectacular cars was a survivor of the October

firestorm in Santa Rosa, a burned up BelAir that the owner has started to restore again. Here is a close-up of the turn signal lenses melted onto the bumper. If you're on Facebook, check out my Father's Day Car Show 2018 Album.

- There is a '79 Pacer for sale in Petaluma for only \$500.
- Dave is gearing up for the SEMA show and will be coordinating with the SEMA boys—Richard, Mark and John.
- Car Show dates listed below and flyers/applications follow after that.
- Raffle
- Meeting Adjourned at 8 pm

Editor's Note: Please send adds or changes to these meeting minutes to me at rossg@sonic.net or give me a call at 707.799.3191. Thanks, Ross
