

NorCal AMCs Monthly Meeting

Date: 08.16.18

Round Table Pizza Parlor

Attendance: Ross Guistino, Mark & Terri Ehinger, Dave Pekonen, Connor & Gean Stumbaugh, Doyle Lockabey, Charlie Zanella, Chris Schleth

Treasurer's Report: Ending balance after last month's raffle is \$869.79

Club Cars Driven Raffle: Mark's '72 Blue Hornet was the only AMC in the parking lot tonight so guess who gets the gift card.

OLD BIZ: On July 22nd there was a swap meet and car show at the Vet Building and per Mark, was a bit of a clusterF with the way they placed the swap meet and the car show

- The Hornet is still at the Petaluma Big-O
- The spoiler that Tyson had went to Mark
- Mark passed out the Club car pics that were once hanging in the hallway at Norm's Restaurant.
- Connor ventured to San Jose to pick up a T-10 4-speed with an aftermarket Hurst shifter
- Doyle is moving
- Chris is doing better after chemo
- Tyson rattled off stats on the AMC Pierre Cardin
- Club picnic on 8/19

NEW BIZ: Doyle is going through a real estate horror story. He's suing the City of Santa Rosa because they claim his land is zoned industrial and can't be sold as residential, he can't upgrade septic, among other restrictions. He had three cash offers which he has had to let go until the fight with the City is over.

- Charlie was saying that the Fortuna car show was THE show to go to. No assholes, all nice people. And the most important thing—great homemade pie for \$4.50 a slice!
- Chad sold his house in North Carolina
- 9/15 – Ukiah car show
- Pacific Coast Gas Bash & Swap Meet at Fred Stoke's Ranch in Santa Rosa, September 14th & 15th
Fred Stokes Ranch
5525 Old Redwood Hwy
Larkfield-Wikiup, CA 95403
- In case you didn't notice, the price of CA car registration for our old cars was jacked up tremendously. Mark paid \$187 for the Blue Hornet
- Javelin Jim said there's progress on his Javelin which is at a friend's shop in San Jose—it's on jack stands, master cylinder was replaced, and is now deciding on a stock looking radiator or an aluminum one from Galvin's. Doyle says the aluminum one has 2 1" rows and per Dave has better cooling than a 4-row radiator
- One of these days Charlie will get a foundation
- September is Pizza Night. The Club buys pizza for everyone at our next meeting
- Raffle
- Meeting adjourned at 8pm

Upcoming Car Shows:

- 25th Annual Cloverdale Car & Motorcycle Show
 - o Downtown Cloverdale
 - o **September 7th and 8th** – www.Cloverdalecarshow.com
